## It's Grants March Madness! Submit Your Semi-Annual Applications by March 31!

The Mohonasen Foundation for Excellence (MFE) has initiated a semi-annual grant round for teachers to develop applications relating to 'Portrait of a Graduate' and addressing the NYS Next Generation Learning Standards. You are invited to apply in March and October. MFE continues to offer applications for monthly grants for innovative educational programs that are not funded through regular funding streams and meet MFE requirements.

The Mohonasen Foundation for Excellence (MFE) awards Mohonasen teachers with impactful grants with the goal to increase students' learning. Teachers can apply by going to the MFE website to download the several page application. The Foundation is seeking innovative projects which provide educational assistance and opportunities that are not included in usual funding streams and meet the Foundation's requirements. The Foundation Board meets monthly to review any received applications. Please contact the Foundation through their email address [MohonasenFoundation@gmail.com](mailto:MohonasenFoundation@gmail.com) for more information.

Be on the lookout for our new video coming out soon about the foundation !!
