Calling All Teachers

The Mohonasen Foundation for Excellence (MFE) awards impactful grants to Mohonasen teachers with the goal to increase student learning. Teachers can apply by going to the MFE website to download the several page application. The Foundation is seeking innovative projects which provide educational assistance and opportunities that are not included in usual funding streams and meet the Foundation's requirements. The Foundation Board meets monthly to review any received applications. Please contact the Foundation through their email address MohonasenFoundation@gmail.com for more information.
